Content Moderation

Wipro Limited

11/2023 - Present

Nanakramguda, Hyderabad

Senior Associate in Youtube Monetization Process of Google Inc. where i learn leadership skills as well as the work culture.

PROJECTS

> Chatting App

- This project is about building a mobile chat application similar to Facebook Messenger or WhatsApp where multiple users can send text messages, image uploads and videos to each other. I made this project by using React.js, Socket.io, Javascript, HTML & CSS.

> Amazon Clone

- In this project, i developed an efficient user interface like Amazon shopping app where i designed some core features like search bar, dark and light theme by using html, css, javascript.

>Hotel Booking Website

- I have designed this web page for the purpose booking hotels using the languages html, css and javascript.
